A resilient market driven by long term positive trends despite the pandemic

Source: Company estimates for 2021.

- Underlying trends
- Post-pandemic new normal
 - Population growth
 - Increasing workforce participation
 - Climate change and resource shortage
 - Urbanization
 - Digitalization
 - Growing disposable household income
 - Climate change and effective use of resources

Electrolux Professional is one of the leading global providers of food service, beverage and laundry solutions for professional users with:

- Digital connectivity
- Global Customer care
- Project capabilities

Laundry Solutions

Food Solutions

Beverage Solutions

Customer Care

Our mission:
Making our customers' work-life easier, more profitable – and truly sustainable every day

Our guiding principles:

- Be Customer obsessed
- Build Trust
- Be Bold
- Act Sustainably

Strategic cornerstones

Grow the business through developing sustainable, low running cost solutions

Expand in food service chains, especially in North America, beverage and emerging markets

Boost customer care

Leverage the OnE approach and drive digital transformation

Built on a foundation of operational excellence to improve sales productivity and cost efficiency within the supply chain

Unified Brands acquisition

- On December 1, 2021, Unified Brands, a leading manufacturer of food service solutions in the U.S., was acquired
- Significantly strengthens our presence in the US and support our focus on growth in food service chains.
- Unified Brands is a leading US based manufacturer of foodservice equipment
 - Production and R&D facilities in Michigan and Mississippi
 - Approximately 600 employees
 - 2021 net sales SEK 1,134m
 - Sales primarily to restaurants, schools, health care, institutions and hospitality

Uniquely positioned through OnE concept to deliver customer value by connecting the whole operation

2021 sustainability performance and highlights

* Scope 1 and 2 - emissions from own operations. Target -50% by 2025 compared to 2015.

** Target below 0.3 by 2025

*** 26% women, 74% men. Target is 40/60 gender balance by 2030.

Net sales and profitability development

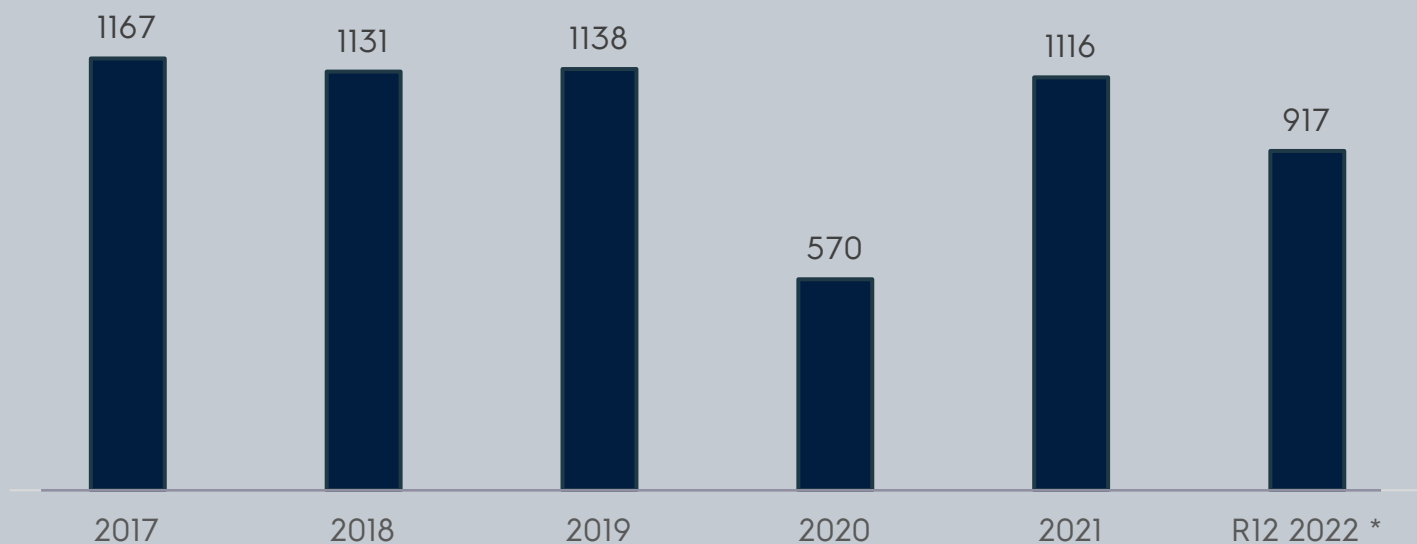

- Track record of growth and profitability improvement (2013-2018)
- 2020-2021 impacted by pandemic

* includes Unified Brands Dec 2021 – June 2022

Good cash flow while investments have continued

Operating cash flow after investments⁽¹⁾

SEKm

- Proven good cash flow generation over the years

1. Cash flow defined as cash flow from operations and investments adjusted for financial items paid, taxes paid and acquisitions/divestments of operations

*R12 includes Unified Brands Dec 2021 - June 2022

Medium-term financial targets to drive shareholder value are confirmed

Net sales growth

Organic annual growth of more than 4% over time, complemented by accretive acquisitions

Profitability

15% EBITA margin

Assets efficiency

Operating working capital <15% of net sales

Capital structure

Leverage ratio below 2.5x Net debt/EBITDA⁽¹⁾

Dividend policy

Pay-out ratio of c. 30% of net income for the year⁽²⁾

Note:

1. Higher levels may be temporarily acceptable in case of acquisitions, provided a clear path to deleveraging
2. As proposed annually by the Board of Directors at its discretion, to correspond to c.30 % of the income for the year, out of funds legally available for that purpose. The Company aims to use capital efficiently to generate as much shareholder value as possible, including potential acquisitions. The timing, declaration and amount of future dividends will depend on the Company's financial condition, earnings, capital requirements and debt service obligations.

Building blocks to reach 15% EBITA margin in place

Operational Excellence

Continuously reduce operational costs through rationalization and digitalization of operations

Develop Customer Care

Increase the Customer Care business through sales of PA&C and service contracts

Chain Business

Grow sales in the Chain Segment

Innovative Products and OnE offer

New products to the market with competitive advantages and higher than average margin

Plan in place – delivering 15% EBITA margin

2020

Key take aways

Attractive industry with strong profitability

Track record of delivering solid EBITA and cash flow also in difficult times

Market with stable growth that has recovered quickly after the pandemic

Focused plan to generate margin expansion

* Company estimates

A Global industrial footprint to serve customers expanding globally

2020 and first part of 2021 impacted by the pandemic - but has now recovered

- From the second quarter 2021 the market started to recover
- From the third quarter of 2021 continued and broadened market recovery
- Continued strong sales recovery in the first and second quarter 2022 - five consecutive quarters of growth

Q2 highlights

- Continued strong sales recovery for the fifth consecutive quarter.
- Organically, sales increased by 15.1%. The acquisition of Unified Brands contributed by 17.9%. Currency had a positive effect of 6.5%.
- EBITA* for the second quarter was SEK 268m (197), corresponding to a margin of 9.8% (10.1).
- Operations in Russia has been divested to local management.
- Operating cash flow after investments in the quarter amounted to SEK 88m (223).

*Excluding items affecting comparability of SEK -35m, related to the divestment of the Russian business.

SEKm	Apr-Jun 2022	Apr-Jun 2021	Change, %
Net sales	2,731	1,958	39.5
EBITA	233	197	18.5
EBITA margin, %	8.5	10.1	
EBITA, excluding items affecting comparability	268	197	
EBITA margin, excluding items affecting comparability, %	9.8	10.1	
Operating cash flow after investments	88	223	

Summary Q2 2022

- Continued strong sales recovery for the fifth consecutive quarter.
- Organically, sales increased by 15.1%. The acquisition of Unified Brands contributed by 17.9%.
- EBITA, excluding items affecting comparability of SEK -35m, amounted to SEK 268m (197) with a corresponding margin of 9.8% (10.1).
- EBITA burdened by a negative net of price versus raw material and component cost increases of approximately SEK -30m in Laundry. Food & Beverage compensated.
- Net between price and raw material expected to be positive in the third quarter.
- Operations in Russia divested, not expected to have any material effect on the Group's profit or profitability.
- High order stock, improved component availability, and positive price gives a good foundation for the next quarter.
