Q1 organic sales development per region*

*Excluding TOSEI

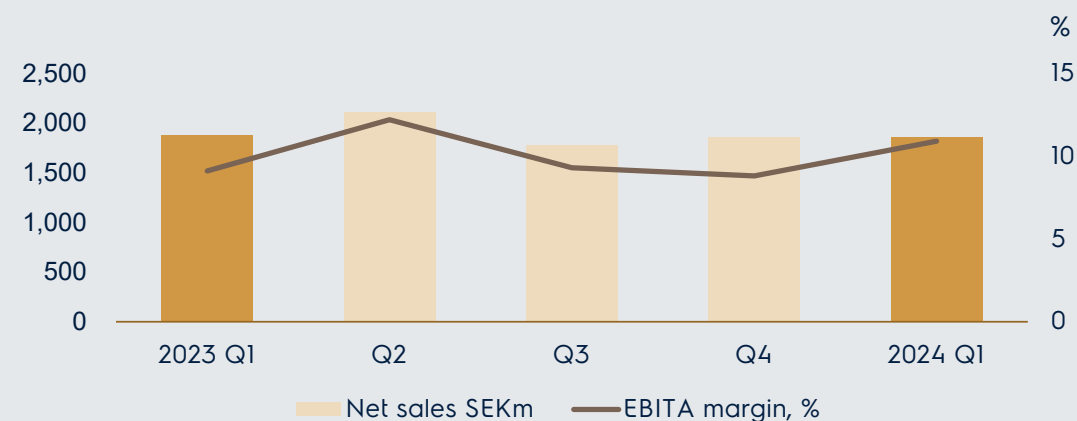

Q1 Food & Beverage

Sales declined organically but EBITA improved

- Organically, sales decreased by 3.4%.
- Sales in our largest market, Europe, remained unchanged, while the US declined by 9% and APAC-MEA by 2%.
- EBITA amounted to SEK 201m (180) corresponding to a margin of 10.9% (9.6).
- EBITA includes integration related costs for TOSEI of SEK 11m. Excluding integration costs, comparable margin would have been 11.4%.
- Order intake was higher than a year ago in both North America and Europe.

Q1 Laundry

Sales of Laundry declined. A very strong comparison from same quarter of last year

- Organically sales declined by 5.9% compared to the very strong organic sales increase of 20% in last year's corresponding quarter.
- Sales decreased by 3% in Europe, by 16% in Americas, and by 10% in APAC-MEA.
- EBITA-margin ended at 13.7% (18.1), the decline is due to lower volumes, partly due to delayed deliveries, and integration related costs for TOSEI for SEK 26m. Excluding integration costs, comparable EBITA margin would have been 15.9%.
- Order intake was significantly higher than a year ago.

Acquisition of TOSEI

- The acquisition of TOSEI Corporation, was closed on January 10, 2024.
- TOSEI added sales of SEK 240m in the quarter. Sales declined compared to last year, mainly driven by a weak laundry market development.
- The first quarter is normally the largest quarter for TOSEI.
- Comparable profitability, excluding integration related costs (SEK38m), was accretive to the Group margin.
- After synergies, the margin for TOSEI should be well in line with the EBITA-margin target of 15%.

TOSEI

Summary

- Comparable profit increased.
- Sales increased by 2.9%, but organically sales declined. Sales in the first quarter last year had a very strong organic sales growth.
- The acquisition of TOSEI added sales of SEK 240m in the quarter.
- Excluding integration related costs, the comparable EBITA margin would have been 11.9% (11.4).
- Significantly stronger order intake in Laundry. Improved order intake for Food & Beverage in both Europe and Americas.
- Continued reduction of inventory compared to last year, good cash generation, and a new MTN-programme launched.
- The improved comparable profit demonstrates that the quarter was another step in the right direction.
